Press Release

AQUANAUTS GRENADA opens new location at TRUE BLUE BAY RESORT in Grenada.

With this new partnership True Blue Bay Resort and Aquanauts Grenada now are able to offer dive and lodging packages at this renowned family resort.

Grenada, April 1, 2003: **Aquanauts Grenada opens new location at the family owned True Blue Bay resort. The new partnership offers all inclusive packages as well as individually combined packages for divers and vacationers interested to learn how to scuba dive. The dive centre provides certification courses in affiliation with PADI, SDI and TDI. Courses may start anytime and class schedules are flexible to fit the vacationers needs. For certified divers; daily dive trips are offered with the new custom dive boat "SOCA" or the convenient "Calypso" to the close dive sites of Grenada's south west coast. A state of the art fill station providing air and enriched air Nitrox fills, new rental equipment and a line of retail for divers rounding up the new venture. Snorkelers are welcome on snorkel trips to Grenada's Marine Park. Hire of snorkel gear to explore the sites independently is also available.**

As the True Blue Bay resort is the ideal place for families with children, Aquanauts also has a wide variety of programs for children age 8 - 12, entailing lots of fun around and under water.
