## Aquanauts Grenada rated one of the 100 BEST

### German magazine votes 100 best dive centers of the world

Grenada, October 2007: The German dive magazine „Unterwasser“ has rated Aquanauts Grenada one of the 100 best dive centers in the world.

Editor Dietmar Fuchs says

*“ On my trips around the world I am always asked how does the perfect dive center looks like? (especially if I have to complain about something). But there is no simple answer to that question. Bottomline: the perfect dive center does not exist! But how can you have the best 100 than? The answer to that one is easy: because our readers asking for it and we do have the kompetenz and knowledge because our team visits about 10 dive centres per month!”*

Unterwasser is one of the leading special sport publications in germany and published every month in German speaking countries of Europe.

To also give the smaller dive centers a chance, the team of Unterwasser used five geographical based categories. Aquanauts Grenada is among the 15 chosen in the American/Caribbean category. Grenada offers a great variety of dive sites, from the 600 foot long cruise liner “Bianca C” to the small but spectacular coral covered fishing vessel “Veronica L” ; from deep drift dives at “Black Forest Reef” to shallow exploration of the Underwater Sculpture Park; Grenada has something for every divers taste and experience.

Aquanauts located at the dock and marina of True Blue Bay Resort & Villas has long gained extensive knowledge of the local dive sites, a great team for perfect individual customer care and three large customized dive boats who bring the water enthusiast within 5 to 15 minutes to Grenada’s dive sites. The dive center offers classes from discover scuba diving to dive master, specialty courses for digital photo, wreck diving, deep and solo diving. The Nitrox house mix of 30% lets you dive the wrecks and reefs extensively and safe and best of all is offered **FREE** of charge!
